Two Are Better Than One

Without a doubt you can and will, teach Bible studies/win souls by yourself. However that does not mean that you being solo is the best way to do it. We have read of individuals swimming the English Channel, but that does not mean going solo is the best way to get from one side to the other. There is a better way.

The Bible says 2 are better than 1
Eccl 4:9-12
9 Two are better than one; because they have a good reward for their labour.
10 For if they fall, the one will lift up his fellow: but woe to him that is alone when he falleth; for he hath not another to help him up.
11 Again, if two lie together, then they have heat: but how can one be warm alone?
12 And if one prevail against him, two shall withstand him; and a threefold cord is not quickly broken.

Why are 2 better than 1?
1. More will get done
2. They can pick each other up
3. They give each other energy and comfort
4. The devil may discourage 1, but not 2
5. If you get them connected to the church, the devil can’t stop them

How did Jesus send his disciples out?
Mark 6:7
7 And he called unto him the twelve, and began to send them forth by two and two; and gave them power over unclean spirits;

Who could your partner be?
1. Husband and Wife (Aquila and Priscilla)
2. Friend (Paul and Silas) of the same gender
3. Brothers or Sisters (Andrew and Peter)
4. Father and Son/Mother and Daughter, etc

Provoke each other (Heb 10:24)
1. Throughout the week stay in contact with each other as you plan, pray and prevail your way through every obstacle.
2. Make a pact with each other that you will teach at least one Bible study a week, even if you have to teach it to each other.
3. Meet people together, call people together, do whatever you must do to make it happen.

Teach together
Matthew 18:16 “...that in the mouth of two or three witnesses every word may be established”
1. The Bible study will be more powerful if you and your Bible study partner alternate giving brief portions of the lesson.
2. Have a spirit of unity and be in the “unity of the Spirit” as you teach.
3. If you are not teaching, give attention to the one that is. Your students will do the same.
