Brazen Laver... the Golden Candlestick... Joshua... Gideon... Samson... The rebuilding of the Temple at Jerusalem. These are just a few of the beautiful and meaningful stories of the Old Testament that are told in this Home Bible Study.

A Few Weeks Of Study With Eternal Rewards!

The New Testament begins with the announcement of the coming of Jesus... His birth and earthly ministry... His suffering, death, and ascension into Heaven.

What have we learned from His life? What did He leave with us? How are we to be saved? What are the signs of the second coming?

How has the Church developed from Jesus Christ and the Apostles, through the ages, to its present state?

This is the message of the New Testament. A message of hope, repentance and reunion with God in Heaven. You can learn to find peace and be born again.

You Will See The BIBLE Not Only As A History Book But As A Way Of Life!
